Summit Votes To Retain District In Spirited Election

Challenge Nearly All Votes As PUD Turns Back Threat 33-11

SODA SPRINGS— Despite a series of unorthodox events, which may or may not effect the legality of the proceedings, voters in this area Tuesday went to the polls in a raging blizzard and voted 33 to 11 to maintain the Donner Summit Public Utility District.

Every vote cast was immediately challenged as election officials and voters alike puzzled over the list of qualified electors and a map of doubtful boundaries and exclusions of the district.

The trouble started when the registered packet of election supplies, mailed by County Clerk R. E. Deeble to Inspector Charles M. Patten last Friday, failed to arrive in advance of the polling. Postmaster Arthur Couillard, who said he was the first voter, aside from the members of the board, to reach the polls, delivered the supplies at 7:25 a.m., nearly half an hour after the polls opened.

Opinion by D. A.

Couillard said he was informed by the board that because of the delay, the election would be called off. A later decision was reached, however, and a call to Deeble resulted in an opinion from District Attorney Vernon Stoll for the board to proceed with the balloting and let the legality be decided later.

In the second place, it was discovered that the map sent with the supplies was not accurate as to boundaries and the list of qualified voters was not up to date. Protest upon protest resulted in nearly every voter signing a statement that he or she was qualified to cast a ballot.

Voters Notified

Patten was advised by Stoll to seek out and notify every voter who had arrived at the election place prior to the time that voting was permitted, some time around 10 a.m., when the difficulty was finally tentatively straightened out. All but two were reached.

The board of supervisors was scheduled to meet today to canvass the results of the election.

It was not immediately determined whether an official protest against the election's validity would be filed but, presuming it is not, the district will continue to function in a limited capacity until such a time as conditions demand the services for which it was organized.

Long a Dispute

Pros and cons over whether the summit area should have a public utility district, designed primarily for the purpose of supplying domestic water to scores of homes and resorts in the area, has been the topic of considerable discussion and recently the board of supervisors ordered the special election to determine whether the district should be abolished or continued.

Due to limited boundaries and the many exclusions granted after the district was originally planned it has struggled along under financial handicaps and without sufficient strength to continue its objective.

Rotarians, Wives Enjoy Christmas Fete on Hill

A Christmas party was held by the Truckee Rotary Club at Donner Summit Lodge Monday with all the members and their wives present. The program was strengthened by the fine music of Herman and Edwin Geisendemmer on the accordions and piano. The two came from St. Moritz, Switzerland a few months ago. Carols were sung by the group and the musicians sang homeland carols.

Rev. A. A. Carmitchel contributed the story, "What Happened to the Gifts Brought by the Wisemen?" and Mrs. Carmitchel sang a solo, "The Birthday of a King."

Two members celebrated along with the occasion. Mr. and Mrs. James Sherritt had their wedding anniversary and Mrs. Julia Ciardella her birthdate. Santa made his appearance and presented each with a gift. President Williiam Curran presented each with a gift calender for the coming year.

McEWEN-ELF TROTH REVEALED AT PARTY

The news of the coming marriage in February of Lorene McEwen to Royal Elf was revealed at a party given in the home of Mr and Mrs. Raymond Scott on Sunday evening.

The engaged couple is well known, having lived here for several years. A wide circle of friends are extending felicitations since the announcement of the approaching nuptials.

Birthdate Tuesday—

Mrs. William Englehart Sr. observed her birthdate on Tuesday December 18.

Fireballs Win; Here Saturday In Return Tilt

The Colfax Fireballs came from behind in the last half of a basketball game in Colfax Saturday night to defeat an aggressive Truckee Legion team 56 to 50.

Colfax comes to Truckee this Saturday night in a return match with the Legionnaires and a good game is promised to all who attend. No more games will be scheduled until after the holidays when a Reno team comes to Truckee January 2.

The first quarter found Truckee trailing 14 to 17 but coming back to lead 31 to 26 at the half. The third period saw Colfax forge ahead 43 to 26. The final period was evenly played, with Truckee gaining a single point on the Fireballs and the game ended Colfax 56, Truckee 50.

The Truckee team felt the absence of Les Davidson and Charlie Bunt after Jack Lambres and Bob Barber were benched for fouls and the reserve depleted when Mike Goicoa and John Rau finished the game without relief. Al Wakefield led Truckee scoring with 16 while Jim Flynn with 12, Lambres with 10 and Art Williams with 8 were close behind. Jim Henry paced his Colfax teammates with 23.

MRS. WILSON NAMED TO HEAD PYTHIANS

The Pythian Sisters of Summit Temple held their annual election of officers last Thursday. Beverly Wilson was elected as most excellent chief, succeeding Hazel Roberts who becomes past chief.

Other officers named are Edith Pfaendler, excellent senior; Ruth Curutcheberry, excellent junior; Pearl Heller, manager; Donna Songer, secretary; Ruth Hesse, treasurer; Harriett Albee, protector; Lorene McEwen, guard and correspondent; Hazel Ellis, captain of degree team; Lois Sadocchi, pianist.

Officers will be installed at the first meeting in January by Mildred Coffey, who has been named installing officer.

Co-Operative Christmas Party Held at Leamons'

Mr. and Mrs. Robert Leamon entertained at a cooperative dinner Sunday evening, enjoyed annually by the friends. Following dinner, gifts were exchanged and the group attended the open house at the new high school.

Those present included Messrs. and Mesdames Lloyd Everett, Omar Alexander, James Leamon, George F. Kamp of Kings Beach and daughter Christine, John Street and daughter Cathy, Barry, Marcia and Richard Leamon.

Christmas Birthdate Observed at Party

The Christmas Day birthdate of Donna, daughter of Mr. and Mrs. John Gracik, was celebrated Friday afternoon.

The party favors and games followed the holiday theme and was enjoyed by Vicki and Steffi Firpo, Terry Ellis, Fran McGwinn, Terry Walker, Brian Phipps, Patricia Scott, Barry Leamon, Pamela and Dorette Rose, J. C. Roberson, Linda and Judy Giovannoni, Donald Brakefield, Helen Kohl, and Carol Gracik. Donna, who'll be seven on December 25, shares that date with her paternal grandparents. Her father observed his birthdate on Monday, December 17.

Retorn Home—

Mr. and Mrs. Oscar Schumacher are here after spending six weeks at Paradise, during a severe rainy season. Mrs. Schumacher finds the snow more to her liking. Mr. and Mrs. Myron Young of Fresno, his father and sister of Princeton were recent guests of the Schumachers.

Consolidation Of Tahoe Courts Is Voted By Board

All Justices of Peace Facing Election In '52 Under New Court Act

Consolidation of the justice courts at Tahoe City and Kings Beach on Lake Tahoe, and the division of the Newcastle court between Loomis and Auburn to bring the judicial townships in Placer County down from ten to eight, was voted unanimously by the board of supervisors at Auburn Monday.

District Attorney Al Broyer was instructed to draw up the necessary legal documents to make the changes effective.

The action was taken on the recommendation of the State Judicial Council and will be effective following the elections during 1952. It was not determined immediately whether the North Tahoe court would be located at Kings Beach or Tahoe City.

In either event, it will be necessary for candidates to file and run for the post in the consolidated district.

All justices in the state will also be required to seek reelection next year under the new court reorganization act, which provides for a six instead of a four year term for justices of the peace.

The council did not make any recommendation for the Truckee court but F. W. Wilson, if he desires to keep the office, must be a candidate in the 1952 election.

At Lake Tahoe, Harry Charrison of Kings Beach and C. W. Vernon at Tahoe City are both expected to be candidates for the office there, although no annnouncement from either has been made.

GIFTS FOR CHILDREN AT TREE TOMORROW

Nine hundred free gifts for children will be distributed by Santa Claus at 7 p.m. Friday, December 21, at the community tree located near the Southern Pacific depot. A program as outlined in the December 13 issue of the Sierra Sun will add to the event, according to Mrs. Hugh Weinand, chairman for the F.O. E. Auxiliary.

Mrs. Weinand requests that all members of the organization, with their children, meet in the Odd Fellows hall at 6:30 Friday evening, as well as the Girl Scouts and accordion players, just prior to the open air party.

Two Parties Mark Local Girl's Birthday

Carol Ann Quilici was feted at two parties in honor of her 10th birthdate which occurred December 14. Her mother, Mrs. Nat Quilici, used Christmas favors when she invited Dorothea and Varien Frey, Anita Diaz, Rosalie Kaspian and Janet Allen for the afternoon.

The following day Carol was also given a party by her grandmother, Mrs. James Hansen, at Reno.

Bride from Ireland Married Here to Pilot

Father Patrick O'Neill Sunday morning officiated at a marriage ceremony uniting Miss Rosalie Manifold of County Limerick, Ireland, and Robert Kirby Fitzpatrick of New Jersey, currently stationed at Reno as a pilot carrying soldiers to and from the Korean war zone.

The young people met in Ireland and the bride came to this country for the services.

Mrs. Arthur Kehm played the organ and W. Smisek and Miss Betty Parkhurst stood up for the couple.

Sun Beams

by Walter M. Jarrett

Thank Heavens for jolly old Saint Nick and the millions of kids who believe in him! 'Twould be a dismal year indeed without the fun and fantasy that go with the Christmas season. And what would we do without the friendly Christmas trees and the gay decorations and the bright lights and the brighter light in the eyes of happy children? There aren's many thrills in life to compare with a youngster's anticipation on the "night before Christmas"—except its fulfillment on Christmas morning. And there are few thrills for a parent to compare with that of having part in the whole delightful confusion. So, whether you're three or 93, never doubt that there's a Santa Claus. There is. Maybe he doesn't look quite the way we portray him and maybe he doesn't live at the North Pole. But the old boy is very real, for anyone who can make everyone feel happier and more tolerant toward his fellow man couldn't be a nonentity. Anyway, we're glad that in spite of wars and worries and uncertainties in the world Santa never fails us. He's our selection for the man of the year . . this year or any other.

More than six pages of this issue of the Sierra Sun are devoted exclusively to greetings from business people and officials of the district to their patrons and friends. From our contact with these people, we know these messages are given with sincere thoughts and all best wishes. May we suggest you scan them in the knowledge that they are intended personally for you and yours. We want also to convey the sincere wish from the Sierra Sun family that this be a very Merry Christmas for each and every one.

O.E.S. Recesses After Christmas Party Tues.

On December 18, Truckee Chapter 116, O. E. S., held its last meeting for 1951 with initiation and the annual Christmas party. Despite the stormy weather, there was a good attendance.

At the close of the meeting all gathered around the Christmas tree, which was trimmed with ornaments, tinsel and lights. The members exchanged gifts. After this, all retired to the banquet room to enjoy the refreshments served by the committee. The tables were gaily decorated in keeping with the holiday season.

Truckee Chapter will resume its meetings on March 4. The members extend to all best wishes for a merry Christmas and a happy New Year.

SCHOOL PROGRAM IS WELL RECEIVED

More than 300 attended the program and open house at the new high school Sunday evening where everyone had an opportunity to inspect the modern structure, only recently completed at a cost of more than three-quarters of a million dollars.

The program of choral music presented by the student body under the direction of Ernest Douglas proved two facts: the first being that the local school abounds with talent and second that Douglas is a most capable instructor in music. Only highest praise was heard at the conclusion of the enjoyable affair, details of which were included in last week's Sierra Sun.

Following the program and inspection of the school plant, cake and coffee were served to the visitors.

Tahoe Chamber Seeks To Unify Booster Groups

Committee Named to Work With Tahoe-Sierra Association

by ELEANOR SWANSON

TAHOE CITY— A plan which has long been advocated by forward looking business men of the Lake Tahoe region is being put into action, according to Ross Frank, manager of the Lake Tahoe Chamber of Commerce at Tahoe City. This plan is believed to be the answer to the problem of financing the Tahoe chamber and the Lake Tahoe Sierra Association, both of which work for practically the same objective, selling the lake and its wonderful facilities to the public, both near and far.

At last Thursday night's meeting of the chamber in their Tahoe City office, a resolution calling for the consolidation of the two booster organizations was approved by the chamber directors.

The chamber board of directors consists of Harry Stubley, Kings Beach, president; Kenneth Amundson, Glenbrook, and Neal Olson, Bijou, vice presidents; C. W. Vernon, Tahoe City, treasurer; and directors P. M. Burroughs, Tahoe Vista; Eugene Jarvis, Crystal Bay; Charles Cross, Tahoe City; George Canon, Stateline. Ross Frank of Tahoe City is secretary-manager of the chamber and a staunch supporter of the merger plan.

A copy of the chamber resolution is being sent to each member of the Lake Tahoe-Sierra Association's board of directors. These include Harry Comstock, Brockway, president; vice presidents Harriett Craven, Fallen Leaf; A. L Richardson, Richardson's; George Kehlet, Meeks Bay; Mrs. H. F. Droste, secretary-treasurer; directors Norman Celio, Meyers; Don Huff, Homewood; George Phillips, Sandy Beach; Charles Johnston, Bijou; Harvey Gross, South Tahoe; Kjell Rustad, Granlibakken; Alexander Cushing, Squaw Valley; Bill Bechdolt, Tahoe City; Will Bliss, Glenbrook; E. H. Pomin, Tahoe Park and Fred Main, Tahoe City.

The three man committee appointed by the chamber to negotiate plans for the proposed consolidation includes Burroughs, Cross and Canon. The association has been requested to appoint a three man committee to meet with the chamber committee to work out an acceptable solution to the proposal.

YOUNG MATRON IS INJURED SKIING

Skiing for the first time on Sunday, Mrs. Jack Ellis had the misfortune to break her left ankle in two places, necessitating a cast for the member for more than a month.

The young matron lived here for several years without trying the sport but fell on a shady and slick spot during her first lesson. Mr. and Mrs. Don Ryan of Long Beach, parents of Mrs. Ellis, learned of the accident and arrived to remain until after the holidays.

Titus Led Team Wins Fallon Smoker Shoot

FALLON— In one of the best Greenhead Hunting Club shoots on record a team captained by Frank L. Titus, Truckee, defeated Chuck Drakulich's team Sunday in the club's annual smoker shoot.

Team scores were 7520 for the winners and 7310 for the losers.

In Sacramento—

Mr. and Mrs. David Campbell returned to Sacramento after spending some time at their Truckee place.

Marie Fitzpatrick Enters Convent To Serve the Poor

Friends here have learned that Miss Marie Fitzpatrick, for some time employed as a radio operator with the CAA on Donner Summit has entered the convent of the Little Sisters of the Poor at Denver. The Catholic Northwest Progress of Seattle, Miss Fitzpatrick's home city, reports she entered the convent last July 19.

She became nationally famous while stationed 7,135 feet high at the rugged summit station in a house anchored by cable to rocks to keep it from blowing away during violent wind storms. She was given considerable publicity in eastern as well as western publication for her skill at skiing and her ability to perform the difficult tasks assigned to personnel at the station.

She left Truckee and spent a short time in the southern part of the state before resigning her government position to return to Seattle. After visiting relatives in Seattle, Miss Fitzpatrick motored to New York and flew to Europe where she joined a Jubilee Year pilgrimage to Rome. She spent considerable time on the continent and while in France, visited the Little Sisters of the Poor at Bordeaux, where a cousin was supervisoress.

Later she worked at Shannon, Ireland, with the CAA and returned to the United States to enter the convent.

WINTER TO BEGIN FRIDAY; SNOWS BLANKET AREA

Another of a series of severe storms which have plagued this region for the past month deposited another four inches of new snow in Truckee and brought the total on Donner Summit to over 70 inches again.

The latest storm was featured by a lashing wind which blew up to 80 miles an hour on the Summit and nearly that speed in this area.

The highway was kept open and traffic was not affected by the storm, which followed and preceded unusual cold snaps which sent temperatures down to below the zero mark.

Local residents will be interested to note that tomorrow marks the official beginning of winter.

CHRISTMAS PARTY AT TAHOE FRIDAY

TAHOE CITY— The annual community Christmas party will be held at the Big Tree in Tahoe City Friday evening, starting at 7 o'clock. Highlight of the affair will be a visit from Santa to distribute gifts and goodies to his young devotees in the area, according to Chairman Don Snyder of the sponsoring committee.

Following the party, everyone has been invited by Mr. and Mrs. C. B. Cross to the Tahoe City store of the Truckee-Tahoe Lumber Company for hot coffee and doughnuts.

Free On $500 Bail, Wrecks Car at Boca

Edward DeJulius, Reno, was free on $500 bail following his appearance before Justice of the Peace F. W. Wilson Monday on a drunk driving charge. He was arrested Sunday night by Patrolman C. B. Maynard.

Tuesday, en route to Reno, he wrecked his car at the twin bridges near Boca and was taken to Reno for medical attention. Records reveal former convictions on the same charge.

Smart Guests—

Guests at the Reg Smart home here over the weekend were Mr. and Mrs. O. Gendron and children of Hayward.

Church Programs Will Be Offered Christmas Week

Methodists, Catholics Offer Midnight Rites Before Holy Birthdate

Two of Truckee's churches, the Assumption Catholic and Community Methodist, are preparing special Christmas week programs to start Sunday, December 23, and end New Year's Day.

As announced by Father Patrick O'Neill and Rev. A. A. Carmitchel, the programs follow:

Community Methodist

December 23: 9:45 a.m., Church School, E. H. Risden in charge.

11 a.m., morning worship and sermon, "Immanuel, God with Us," special solos.

7 p.m.: Church School Christmas program. The various departments have been preparing special Christmas material for presentation.

December 24: Christmas Candlelight Service, 11 p.m. This is the second service for the Christmas season and will consist of special musical numbers, Scripture, carols and candle lighting. You are most cordially invited to this midnight service of worship in praise to God for his Gift to us.

December 25: 9:30 a.m. Christmas Holy Communion service.

Assumption Catholic

Confessions will be heard on Christmas Eve at the Church of the Assumption for children from 11 a.m. until noon and for adults from 3 until 5 p.m. and 8 until 10 p.m.

High Mass will be celebrated at midnight Christmas Eve and Low Mass at 9:30 a.m. Christmas Day.

Corpus Christi Catholic

At Corpus Christi Church, Tahoe City, confessions will be heard on Christmas Eve from 3 until 5 p.m. and 10:30 until 11:30 p.m. Christmas Masses will be celebrated at midnight (High Mass) and at 9 a.m. (Low Mass).

New Year's Day

New Year's Day Mass will be offered at 9 a.m. in Tahoe City, 9:30 a.m. at Truckee, 10:30 a.m. at Kings Beach and 8 a.m. in Beacon Hill Lodge, Soda Springs.

Father O'Neill is assisted by Father Patrick Coffey.

3-CAR COLLISIONS FEATURE BUSY TIME FOR STATE PATROL

Icy highways and drivers who failed to take due caution were blamed for a series of more than a dozen motor vehicle mishaps during the past few days and as a result the highway patrol was kept constantly on patrol night and day.

Two three-car accidents were reported Tuesday night and Wednesday morning. The first, near Rainbow, involved cars driven by C. V. Vraa, Montana; Ronald Dykes, 16, South San Francisco and G. R. Falmon, McClelland Field. Dykes and Mrs. Mike Kingley, a passenger in the Vraa car, were treated by Dr. L. D. Nelson for injuries. Citations were issued to Dykes for being on the wrong side of the highway and Falmon for following too close. Patrolman William Gautsche investigated.

In the second, cars driven by Ben Marcus, Los Angeles; Jerry Mathia, Hollywood, and Earl Neker, Sacramento, crashed at Norden, injuring Neker.

Burton Estes, Reno, driving a Wells Cargo truck, escaped injury but his truck and load of tile were nearly demolished at Farad Tuesday night when the vehicle got out of control and ran off the road. Gautsche cited the driver for speeding.

No one was injured when cars driven by Joseph Furtado, Reno, and Laura Horman, Donner Lake, collided three miles west of here last Wednesday.

Last Thursday a truck loaded with lumber and driven by Frank Williams of Reno was wrecked near Soda Springs, scattering lumber far and wide. The driver was cited for not having his vehicle under control.

Numerous other accidents, most of them resulting only in damage to the vehicles and minor injuries to occupants, were being investigated by the patrol.

Lions Christmas Party Held at Donner Lake

A lusty holiday spirit prevailed at the Christmas party given by the Truckee Lions Club last night at Donner Lake Lodge, where Santa Claus made his visit to distribute josh gifts and where songs and merriment heralded the arrival of the Christmas season. Guests included William Curran of Truckee and A. H. Murray of Placerville. Robert Seibold presided.

Secret Pals—

Members of the WSOS are reminded by Secretary Alice Mayer to remember their "secret pal" with a card at this season of the year.

SUMMIT SCENE

by FRAN COUILLARD

Attended the dinner given by the Soda Springs Hotel Sunday for the locals and otherwise who are about to participate in the 1952 winter Olympics. Squaw Valley, with its Emile Allais, has been hosting and training the downhill and slalom hopefuls in their practice runs so the Soda Springs area pitches in to help with the financing of the U. S. Olympic team in general. It was a goodly crowd gathered there and we thank all those who helped gather it together at such short notice, including Vern Shattuck of the Donner Theater at Truckee, who made announcements that helped swell the crowd. As we left, which was early in the evening, close to $200 had been piled in the Olympic team coffers but there was much more to be counted. Newspaper correspondents from all over northern California augmented the crowd as they took pictures and jotted down notes of the occasion. And we burst with delight as "Mad Dog Buek, the Mad Man of Donner Summit" took his bows with the others of the illustrious group.

Talking of dogs, Jack Reddish of the team is known as "Red Dog" while Darrell Robison is "Pink Dog". Dick's cognomen of the Mad Man of Donner Summit gives him the exclusive right to the use of "Mad Dog" and we have heard another called "Dirty Dog." We were about to classify them en masse and call them "Hot Dogs' but understand that Milt Hogle has moved in on that classification. S› we just give our god-speed to the kennel and hope they are all "Lucky Dogs" in the coming ordeal that they are about to encounter across the ocean in a very, very short time. Jack Nagel doesn't have a dog classification but if he continues biting into the white stuff with his boards as he does, imagine we'll hear him bark anyhow. Allais in a simply gorgeous handknit sweater held the head of the celebrant's table with his courteous and affable manner whilst Milt Hogle, master of ceremonies, announced that the proceeds of the dinner plus a goodly amount collected in "fines" would help toward the Olympic fund. Little kids Carl Nordstrum, Smiley and Dee Tschopp were on the job every minute selling the U. S. Olympic decals and host and hostess Brant and Doris Chaplin, beside putting in more than "two-bits worth," were on hand to see that all enjoyed themselves.

* * *

The Donner Community Club pulled into its sixth semester as Helen Hogle (as prexy) turned the gavel over to Edvi Aro, the new president. Margot Norrstrum took a bow as vice president while Pat Woodard of the Donner Ski Ranch accepted the secretary's job and Barbara Zorich accepted the books from John Carl who retired as treasurer. Lola Schull and Wanda Miser remain on the board of directors with a new director, Tony Regina of Big Bend lending masculine support. The final meeting of the year, held at the Donner Trail School, also was helpful in propitiating the Christmas program which was delightful, with the propulsion of Bill Carrico and Pat Adams, efficient teachers and directors. Brownies, fireflies, Santa Claus' helpers and a great play put on by the olders in the school made the time pass swiftly, including the delightful Santa, portrayed by Chuck Wilson, employee of Soda Springs Hotel.

The state highway equipment that scoops up the snow and deposits it elsewhere can't determine a covered and unmarked car from a hump of snow. Hereafter, don't cry if your car is taken for a snow drift and scooped up with the rest of the stuff they are supposed to scoop up! For the state will no longer pay for damage to a car that is covered and unmarked. Dig it out and get it to a garage, 'cause you can's expect the guy in a piece of snow removal equipment to tell whether it's your car or just a gob of snow he's trying to get out of the way of traffic.

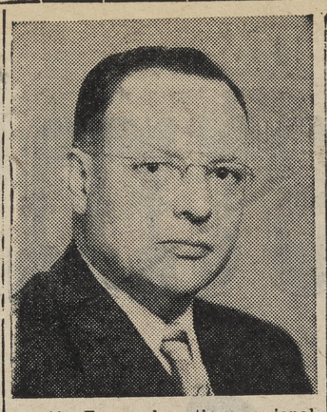
Helen Baker Reynolds, wife of Dr. Ralph Reynolds of Soda Springs, has a story in this month's "Everywoman" called "The Children," which is an apt story with a Christmas theme. This is, we understand, her first published story. Helen, proudly sends out her first effort as her greatest Christmas card to her good friends.

Mort Robinson, formerly of Travis Lodge, entertained guests of Donner Ski Ranch with inimitable mimicry last Saturday evening with two shows that drew the mountaineers en masse. Latest reports are that Jack Woodard has secured the services of the showman and ex-radio announcer for a weekend regular. In spite of no props and the theater necessary for background, Mort really knocked 'em dead.

As of midnight, this small minute between Monday and Tuesday, we return from Donner Summit Lodge where the Truckee Rotary Club had their annual Christmas party. The gamut of emotions was encountered from the fun loving to the religious, with all pleasure bound folks respectfully giving their full attention to Rev. A. A. Carmitchel's Christmas message, which was followed by the singing of carols and a solo by Mrs. Carmitchel. A delightful dinne was served where Santa Claus (portrayed by Johnnie Richards of Truckee) pranced between the tables, presenting each with a gift. Willie Curran, president, in his easy manner presided, with wife, Dolores, as his side. Jim Sherritt stole the show for a brief moment when he presented Mrs. Sherritt with a gift, since the date coincided with their wedding anniversary. Happy to see Lucille Cross at last back in the fold looking as beautiful as ever, tho a couple of plaster casts keep her immobilized.

You may have heard that the Steen's Motel at Kingvale has been "transferred" in management. It is true in a sense for while son Harold Steen has taken off for a time, father R. E. Steen and Mrs Steen from Jackson, Miss., have taken over for the winter. These folks have really pitched in and already have the situation in hand plus a great bunch of reservations.

Have you seen "Ski Wacks"? We're not referring to the stuff you put on the bottom of your skis to take you over the stuff but to Eric Johnson's new book. All skiers know Eric and thus all of them know about his famous cartoons. Eric has assembled his best, published by Metro of Sacramento, in a book entitled "Ski Wacks" and is can be purchased at any of the local lodges.



W. H. Egger, long-time regional manager of Greyhound operations in Oregon, has been appointed regional manager of the Central Division, with headquarters in Oakland. He supervises the many widespread Greyhound routes in northern California, Nevada and Utah.

Singing sensation Mario Lanza is starring in a radio program which will be heard over stations throughout the country in connection with the Christmas Seal Sale, to be conducted Nov. 19 to Dec. 25. Christmas Seal Funds are used to support the tuberculosis control work of the National Tuberculosis Association and its, 3,000 affiliates. (Photo Courtesy of Metro-Goldwyn-Mayer.)

Burglary Is Reported at Lake Tahoe Market

Burglary of the M&M Market at Lake Tahoe reportedly occurred on Sunday night. Two men are said to have entered the market by breaking a window. Failing to break into the safe, they entered a walk in box and apparently ate a meal there. Food and some whiskey were reported stolen.

The suspects are described as both being about 19 years old, 5 feet 9 inches in height and between 165 and 165 pounds in weight. It is believed one is blonde and the other brunet.

A total of 3635 deaths in San Francisco in 1950 was attributed to heart disease.

Porter Heard at Console At Soda Springs Hotel

SODA SPRINGS—William "Bill" Porter of Truckee began an engagement Tuesday night as organist at Soda Springs Hotel, where he will be heard six nights a week at the console.

Although Porter has been engaged in the antique business here for several summer seasons, he is a member of the musicians' union and has played in a number of night spots and theaters in the bay and valley districts, as well as doing orchestra work.

It has been his practice in years past to leave the area at the end of the summer to work in family antique stores in Berkeley and Banning. He prefers the high Sierra, however, and is returning to his music to provide year-round livelihood in the area. Porter is a past president of the Truckee Chamber of Commerce.

Olympic Team Training In Squaw Valley

Emile Allais, 1952 U. S. Olympic team coach, ran his charges through their first slalom practice last Thursday at Squaw Valley. Marking their second day of work outs, Allais was primarily concerned with getting the Olympians in good physical condition before drilling them on the finer points of racing technique.

The coach set the training pace with continuous non-stop downhill runs of four and five miles.

Jack Reddish of Salt Lake City was conspicuous with his smooth runs in slalom. Only veteran of the 1948 Olympics, "Red Dog" also placed highest of any American in the 1950 FIS races at Aspen, Colo. Jack Nagel of Skyomish, Was., was also signled out by Allais in slalom practice, as was Dick Buek, Donner Summit lad. Dubbed the "Mad Man" for his daring down hill runs, Buek has perfected his slalom running to an extent where he stands a chance to do well in the combined events at Oslo.

Other members of the Olmpic squad, brought to the official training area through the courtesy of Squaw Valley, are Darrell Robison of Salt Lake City and Bill Beck of Rhode Island. Beck replaces Jimmy Griffith on the squad, following the tragic death of the talented young racer last week.

On Grand Jury—

Helen C. Stokes of Kings Beach is among 19 citizens of Placer County chosen to serve on the newly-empanelled county grand jury. The tribunal was scheduled to begin deliberations this week.

Vacationing—

Mrs. Ruth Droste of the Tahoe Realty Company, Tahoe City, is away on a month's vacation.

More Needy Aged Get Less Money In County

Aid payments to 912 needy aged people in Nevada County average $65.20 per person for October, 48 per cent higher than the $44.01 national average for September, California Taxpayers' Association reported. September data are the latest available on a nation-wide basis.

Total aid paid to the aged in the county amounted to $59,461 for the month, financed $26,348 in federal funds, $28,418 in state funds and $4,695 in county funds.

A year ago, the county's 897 needy aged averaged $66.91 in aid per person, 54 per cent more than the $43.49 nation-wide average for that same month, the association said. Total aid paid in the county during October, 1950, was $60,018.

"Rusty" Frodenberg Works Toward Airline Post

TAHOE CITY— Austin (Rusty) Frodenberg, son of the Arthur Frodenbergs of Tahoe City, is now ferrying aircraft for Don Vest, a Denver, Colo., dealer. Rusty learned to fly at Cle Elum in Washington state and has a commercial license.

He is now piling up hours so he can attend the United Airlines school at Denver. If he can pass a 60 days school test he can then apply for a co-pilots license with United Airlines. He already has 350 qualifying hours, 50 more than the required minimum.

Fallen Tree Crushes House In Homewood Area

TAHOE CITY— Stanley Martin, Tahoe manager for Sierra Pacific Power Company, discovered a tree had fallen diagonally across the Musso summer home in the district behind the Droste home at Homewood while he and his crews were repairing lines a week ago Sunday. He has notified the family at their home in Bowman. It is believed the four room cottage is a total wreck.

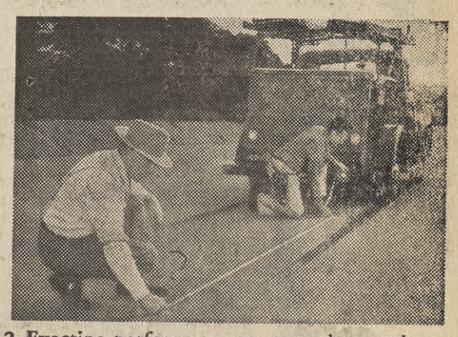
Careful training and observance of safety codes make telephone drivers among the safest on the road today.

HOW TELEPHONE DRIVERS GUARD YOUR SAFETY

Safe driving is an important part of their job

1. Accidents seldom happen when drivers are properly trained, and strictly observe safety codes. That's why telephone drivers have won awards as among the safest on the road. Pacific Telephone drivers can point with pride to their impressive safety record—a record achieved when we had more vehicles on the road than ever before, and during the busiest years in our history.



2. Exacting performance tests must be passed regularly by all telephone employees operating motor vehicles. Under the watchful eye of company examiners, and with the cooperation of local police departments, these road tests stress quick reaction and safe driving. In addition, drivers must pass physical and eye examinations, as well as written and oral tests which insure a full knowledge of the rules of the road.

3. Protecting your safety, and the safety of telephone people, is just one more big responsibility for your telephone company—along with providing more and better service. We're proud of our safety record, maintained, as it has been, through the greatest expansion period in our history. An expansion that has meant adding over 1,800,000 new telephones here in the West since the war. And yet telephone rates have gone up far less than most things, which makes your telephone one of today's best bargains.

SWANEE'S

Tahoe Letter

Tahoe City, Dec. 16

Dear Tahoeites:

Few of our service folks will be lucky enough to get home for Christmas. These include Scott Gilman, son of Mr. and Mrs. Fred Gilman of Tahoe City, who will arrive for a three weeks vacation furlough from the Navy station at San Diego. He's been in the service for about six months and will attend officer candidate school upon completion of the required study period.

Also coming home for a 12½ day vacation from Hamilton Field is PFC Florence Vernon, daughter of Judge and Mrs. C. W. Vernon of Tahoe City. She will arrive here on Friday, December 21, and will be able to enjoy both the Christmas and New Year holidays. Florence recently was promoted from the photo lab to the position of hostess in the service men's club, a job she has long wanted.

Another who will be privileged to spend the holidays at home is PFC Freddie Holt, son of the Geonge Holts. He is stationed at Camp Pendleton with the Marines.

The many friends of the Pete Ables are rejoicing that his wife, Ditty, can now enjoy lift as a Navy wife, difficult though it may be at times. Ditty (the former Carolyn Bolton, daughter of the Stanley Z. Boltons of Tahoe Park) was tendered a gala farewell party at Eugene's in Reno on Saturday night by the John Flaggs, others enjoying the occasion including the Stanley Boltons and Shirley Flagg. Ditty was toasted with champagne and the orchestra favored her with special numbers throughout the evening. At midnight, the party accompanied her to the SP depo where she boarded the streamliner for Norfolk, Virginia, to join her husband who is now stationed there. Ditty had a good job with the Pacific Tel and Tel at Tahoe City but gave it up to be near her sea-going husband. Friends say she may remain back there with him until his discharge from the Navy, due some time in the early summer when he will have completed his four years of service.

Not so lucky is Geonge D. Mitchell, brother of Imon Mitchell of Sunnyside, who has been in the Navy a year in August. He is now active service as a fireman's apprentice. He was guest of honor at a big dinner party at the Mitchell home here a month ago

Already a veteran of Korean fighting is Lieut. Bill Briner, who with his brother Connie owns and operates Sunnyside Lodge on Tahoe's west shore. Bill was literally jerked up by the bootstraps by Uncle Sam last May and in a matter of four weeks found himself en route to Korea. He left the U.S June 6 and has been in the thick of things ever since. He is a reconnaisance officer whose duties are aerial photography. At first Bill rather loathed everything in and about Korea but lately his family here reports he has purchased a record player and is collecting an excellent cabinet of records for leisure diversion. He sent home a menu of the Army's Thanksgiving dinner and it sounded quite delectable. Nor is he the only member of the family in the service. His brother's wife has a brother who is an aerial gunnery instructor at Randolph Air Base in Texas.

Chief Electrician Phil Asal, son of Mrs. Justine Pingree of Tahoe City, returned from a three year stint in Guam last September and is now an instructor at the Great Lakes Naval Training Center. His wife, Gladys, keeps the home fires burning for him at nearby Waukegan, Illinois.

The Denis Sach family recently bid adieu to Cpl. Denis Sach Jr., who enjoyed a 30 day furlough at Tahoe. He just phoned them a few days ago from New Jersey saying he was on his way to New Foundland and from thence, no one knew. He is with the Air Force Communications System.

PFC Howard Carnell will spend the holidays at Camp Pendleton with his Marine buddies and plans to save up his money and time off until Tahoe puts on a good ski meet in which he can participate.

The Dinty Moore's son, PFC Robert Moore, will spend the holidays at Mather Field, Sacramento, where he is a member of the Air Force. He's married and has a home close by.

Called Lucille Cross to find out if daughter, Sally, and her husband, Cpl. Howard Pyle, would be home for the holidays. Howard is stationed at Mather Field in Sacramento. The Pyles became parents of a son June 7 who has been called Gregory Alden. They will, incidentally, be up for the holidays. Mrs. Cross did not escape injury in her most recent automobile accident, as was at first believed. She now wears two casts, one on her left leg and foot, one on her hight arm and foot, where broken bones are mending. She also received a painfully broken nose.

Mrs. Pat (Henry) Griswold writes her folks (the A. M. Henrys) she will not be arriving as planned for a winter vacation, due to a change in plans but probably will get out to Tahoe later. Her husband, Lieut. Lyman William Griswold Jr., a member of the USNAF, is now engaged as a Navy pilot stationed at Westover Field, Mass. Their home is at Greenfield, Mass The Henrys recently received pictures sof the Griswold's little daughter, Mary Tabor, who appears to be both husky and adorable.

Mrs. Celeste Daniels, who operated the sandwich shop at Callender's Lodge last summer, writes her family here that she is returning to Las Vegas with her husband, Verne, to fix up their home there and place it on the market for sale. She underwent a complete physical checkup while in the south and is now receiving medical treatment.

Leave you all for the week with the sincere hope that your Christmas holidays will be most cheery To our men and women away from home in the service, you will be in our thoughts and prayers as we give thanks for our multiple blessing here. A cheery adios to one and all. As ever, Swanee.

Tahoe Weather

TAHOE CITY— Observer A. E. Frodenberg issued his weekly weather summary on Monday, just before high winds brought a return of the now familiar Sierra snow storm to the region. At 8 a.m. December 17, there were 25½ inches of snow on the ground at Tahoe City and the lake level stood at 6227.43 with three gates open.

High and low daily temperatures were Dec. 10th: 40, 9; 11th: 45, 18; 12th: 36, 19; 13th: 42, 21; 14th: 40, 11; 15th: 43, 13; 16th: 37, 19; 17th: low 12.

Forest Roads in Area Are Closed for Winter

Supervisor Guerdon Ellis of the Tahoe National Forest announced that certain roads within the forest have been closed to travel to prevent damage during wet weather These closures apply to the following roads:

East Boca, from Boca Dam to the Little Truckee River.

Juniper Creek, from U. S. 40 to Tahoe-Brockway Road.

Union Valley, from U. S. 40 to Juniper Creek Road.

Fordyce from U. S. 40 to Fordyce Lake.

Closure dates on the foregoing are December 1 to May 20. Closed December 1 to May 15 are the following roads:

Cal-Ida from Cal-Ida Mill to Bunker Hill Mine; Eureka fron Cal-Ida Mill to Eureka Diggings.

Ellis explained that considerable work had been done on these roads during the past summer and that the closures are for their protection. No actual residents of the areas served by the roads will be deprived of the opportunity to travel to and from their homes.

TAHOE CITY— Delbert Raby of Grass Valley, field Scout executive of the Tahoe Area Council, this week announced that organization of a Cub Scout pack for Tahoe City district boys aged 8, 9 and 10 has been completed. The pack will be sponsored by the Tahoe Lake PTA whose president is Mrs. Charles Mansell. Pascal Huega of Lake Forest is Cubmaster and R. L. Landfear is chairman of the Cub committee which also includes M. R. Porter and Robert Pomin of Tahoe City and Wayne Poulsen of Squaw Valley.

Seven local boys are charter members, including Chris Poulsen, Robert Landfear, James Huega, Randall Scarborough, Robert Porter, Randal Pomin and David Gary Henry.

Den mothers are Mrs. Gladys Poulsen and Mrs. Mayra Scarborough of Pineland. First meeting of the group will be held some time after the first of the year at the home of one of the den mothers Meetings have been tentatively set for Thursday afternoon each week

Returns from Valley—

Mrs. Jay Shontz of Tahoe City returned last week from Wooland Clinic where she underwent medical treatment. She is reported to be much improved in health.

Lake Tahoe Ski Club Plans Alternate Social Meets

TAHOE CITY— Next meeting of the Lake Tahoe Ski Club has been set for January 4 at Tahoe Community Center here at 8 p.m.

On January 11, club members will gather at Granlibakken resort near Olympic Hill for a social evening which will include skiing under floodlights and cards for those who do not ski. Refreshments will be served.

Club members voted at last Friday night's meeting to hold a social every other meeting night for the rest of the winter. President Bill Bechdolt conducted the session, followed by movies and refreshments.

Daughter Born at Reno For Robert Pomins

TAHOE CITY— A daughter was born in a Reno hospital to Mr. and Mrs. Robert Pomin of Tahoe City on Saturday, December 15. Named Dorothy Suzanne, the little lady, who tipped the scales at 4½ pounds, is reported doing nicely, as is her mother.

Move to Capital—

Mr. and Mrs. Les Fuson and son Leonard of Tahoe City over the weekend moved to Sacramento for the winter, where the former is employed.

Mitchell Guests—

Mr. and Mrs. William Hommerbocker of Marysville, accompanied by their children, Dorcus and Dianne, and Larry and Sandra Womack of Marysville enjoyed the weekend at the Sunnyside home of Mr. and Mrs. Imon D. Mitchell.

Holiday at Santa Rosa—

Mrs. Ben Callender of Homewood and son Bill have left for Santa Rosa, where they will spend the Christmas holidays at the home of her mother, Mrs. Eva Bussman Callender will join them, business permitting.

Welcome Son—

Mr. and Mrs. George Fisher of Crystal Bay are the parents of a son born in Reno on Friday, December 7.

How To Make An Attractive Christmas Decoration From Candle Ends. First we want to extend our warmest personal wish to you for a very Merry Christmas!

Make floating candle "flowers" from candle ends! Simply remove wicks from candle ends ...melt down wax...pour wax into muffin molds, using same wicks again...when hard, heat mold slightly to remove.

Floating "flowers" make effective conversation pieces... as part of Christmas table or fireplace mantle decorations.

Many thanks for your patronage of our local business during the year, and best wishes to you for a happy 1952!

ADVERTISE

My Place In the Sun

by DOUG BARRETT

Mr. and Mrs. F. A. Farrar celebrated their wedding anniversary on Dec. 13.....the years are the date backward, which don't work in all cases.....f'r instance try it on the 17th, 18th, 19th or 27th, 28th and 29th.....It's worth the price to see the illustrated map of this area on the back wall of Goodfellow's Coffee Shop.....but drop in before Monday 'cause they are going to close for about 10 days so the management and staff can enjoy the year-end holidays..... PFC Howard Henderix, here on leave from New Jersey.....and complaining that his blood must be thinning out, because he really felt the cold.....Another familiar face seen around town again this holiday season belongs to Phil Ladd.....visiting the Don Sites..... Roy Waters thawing his Railway Express wagon with a fusee before making his appointed rounds..... Marie Street and Ida Crandall join Mrs. Bavier, Rose Cardinal and Eleanor Dominguez for the holiday rush at the Truckee Post Office..... which will remain open all day on Saturday (instead of ½ day) to accommodate last minute mailers .....If you want to see the Sunday feature at the Donner Theater, do not put it off until Monday..... 'cause Vern and Vina intend to be closed for Christmas Eve..... "Dapper Daven" Morey helping Jim Walker out at The Toggery off and on during the week..... Get a bang out of the animated window display at Tonini's Grocery.....and don't feel bad about being a Peeping Tom.....look in the windows of the little winter resort hotel.....it's furnished.....Once again Mrs. B., Kathryn, Sheila, Phyllis and Patricia join me in thanking you for all the lovely cards.....and in extending our best wishes for the happiest kind of a Christmas.....

NORTH TAHOE

by THELMA BURROUGHS

In spite of the storm, the Christmas Party at North Tahoe was one of the nicest ever. Alice Sorensen, Lynn Kishbaugh and Bill Dugan of the committee for the North Tahoe Council of Organizations express special thanks to all who so gallantly helped with the production and presentation of the program.

A wailing snow storm did not prevent the 250 persons being these to welcome Santa and enjoy the excellent performances. Participants, it was worth your efforts, judging from sounds from the audience you must know how vastly your accomplishment was appreciated.

The Christmas fund is added to each year by contributions of associate clubs under the direction of the council and used for parties for the North Tahoe children.

Repeatedly, the comments have come to me on the beautiful rendition of the Lord's Prayer by Buddy Romanov. He is making his home at the Borue O'Briens' and did his preparatory work under her direction. She is also to be congratulated for her work and the wonderful support of the other boys and girls who sang the chorus.

Walter Hapgood of Kings Beach left on Wednesday for Palo Alto to spend the holidays with his parents.

Even on snowy ground the motel units of the Andy Sorensens are coming up and are expected to be completed in the spring. When finished, Alice will leave the switchboard and will be greatly missed in that place but we wish them happiness and luck in the new venture.

Mr. and Mrs. Ernie Crawford and Jimmy are leaving Friday for Los Angeles where they will visit their son in law and daughter, Mr. and Mrs. Joe Meyers. The family, with Donnie and Gail, will go to Crawford's sister, Mrs. G. W. MacGuire, at San Bernardino for an old fashioned family gathering of more than 20.

North Tahoe was almost too small to hold Virginia Kornazewich when her brother, Jack Duran of Norfolk, Va., called from L.A. with the good news that if she and her husband, Mac, could meet him half way they could have a few hours talk before he had to report for duty at a nearby Army camp. They met at Mojave, came to the lake the next day and attended a dance at Cal-Vada, Jack later going with his relatives to Sacramento and thence back to Los Angeles after a grand weekend visit.

A Couple of New Ideas For Holiday Sweets

During the long winter nights of the holiday season what could be more appealing that home-made candy? Here may be some new ideas in whipping up appetizing confections.

Popcorn fruit crisp can be made by the youngsters it's so easy! First cook one cup of sugar, ½ a cup of corn syrup and one-third cup water until it reaches the "hard crack" stage (285 degrees F. on a candy thermometer). Next add 1½ teaspoons butter, ¼ cup chopped dried fruit or whole seedless raisins and salt to taste. Stir well and slowly add popcorn. Spread in an oiled pan to harden. Break or cut into pieces.

Fruit with marshmallow will make an interesting change for your family's sweet tooth. Add to 12 marshmallows either two cups of dried fruit or two-thirds cup of well drained fruit preserves. Put through food chopper together using the coarse chopper. Mix ingredients thoroughly and dust the mix with powdered sugar. Roll out on waxed paper dusted with powdered sugar and let stand all night. Cut into squares and dust again with powdered sugar.

To all my friends in Truckee, I wish a Merry Christmas and a Happy New Year. I miss seeing my friends but it is nice here (in Sacramento) with no snow and every Friday morning I get the Sierra Sun and it tells me all about what is happening in my old home town.

Olympic Skiers Honored At Summit Party

SODA SPRINGS— Donner Summit ski enthusiasts Sunday anted up $500 to help finance the U. S. Olympic ski team's trip to Norway next year, Bill Berry, ski news writer, stated.

It was a heart-warming exhibition the Olympians staged at the Summit Sunday as they peeled off the Soda Springs hill four times in American-style downhill running before 500 ski fans.

The squad was elated over the return to action of Dick Buek, who had been sidelined by an ankle injury. The "Mad Man of Donner Summit" taped up his sprains and led his team mates Jack Reddish, Darrell Robison, Jack Nagel and Bill Beck in the speed runs.

A standing ovation was given Coach Emile Allais and his squad during a banquet at Soda Springs Hotel which closed the fund drive. Milt Hogle, master of ceremonies, said: "We of Donner Summit rest every confidence in you and your team. Good luck so that you may bring a world championship back to the USA."

"This is the home of Buek and the place where he learned to ski," Hogle added. "Needless to say, we are proud of Dick."

Young Buek comes from a great skiing family so perhaps proudest of all were his mother and father, Mr. and Mrs. Carl Buek, and his sister, Jean.

Dick plans to attend Olympia Day at Mt. Rose. The others on the team, however, are leaving to spend Christmas at home before assembling in New York January 2 to fly overseas.

Capital Collegians to Trek To Donner Ski Ranch

SODA SPRINGS— Jim Winthers, president of the Sacramento State College ski club, anounces a vacation ski trip December 27 and 28 to Donner Ski Ranch. Winthers is making plans for a car pool to operate from the capital city to the summit.

OFFICIALS STUDY PLAN FOR SPAN FOR FLORISTON

Road Commissioner J. F. O'Connor of Nevada County is studying the possibility of getting state aid to help build a bridge across the Truckee River opposite Floriston. That community has been asking county aid in replacing the bridge, washed away in the floods of 1950.

A letter from residents was discussed by the district attorney and the county supervisors last week. It said the people of Floriston have an option, good until December 26, to buy a suitable bridge for $7500 and estimated it would cost another $7500 to put it in place.

They believed they could raise half of the $15,000 by subscription among themselves. They also expressed the belief that the state would match this from flood damage repair funds if the supervisors would support the application by taking over the bridge as a county project.

Supervisor H. G. Loehr of Truckee indicated the Floriston residents held the right of way from Highway 40 to the bridge and would turn it over to the county. He said the county could also obtain right of way from the bridge toward Floriston. He urged the supervisors not to take over maintenance of the narrow, steep streets of Floriston, however, because of the cost involved.

Sportsmen Restaurant Re-Opens at Resort

Mr. and Mrs. I. O. Gifford announce the reopening of their Sportsmen and are specializing in steak dinners.

The establishment, a mile and a half west of Truckee at Truckee Resort, has been completely renovated and redecorated. Bob Garrison and Lewis Cummins have been employed by the Giffords to have charge of the restaurant. Al Doolan will be in charge of the cocktail lounge.

A warm welcome awaits those visiting the place.

STAFF PARTY

Mr. and Mrs. Raymond Scott entertained members of the local staff of the Bank of America and their guests at a pre-Christmas party in their home Saturday evening. The group later attended a dinner given at Donner Lake Lodge.

Modesto was first settled in 1870 and became Stanislaus County seat in 1871.

TAKING ADVANTAGE OF THE DARK, WOFU DOUBLE-CROSSED HIS FELLOW PANTHER MEN AND FLED DOWNSTREAM WITH LYNN GARNER.

MEANWHILE, TARZAN PLANNED A DANGEROUS ESCAPE BY PURPOSELY TIPPING HIS CANOE AND TAKING ADVANTAGE AS THE TERRORIZED PANTHER MEN TRIED TO ESCAPE FROM CROC-INFESTED WATERS!

THEN, JUST AS HE WAS CLIMBING TO SAFETY, A HUGE SAURIAN PLUNGED FROM THE SHADOWY BANK!
